### What should Seniors focus on in August?

Generally, colleges offer their own merit or need based scholarships. Make sure you research college websites to determine college application deadlines and scholarship information and deadlines. Some colleges, such as UTK, have a November 2<sup>nd</sup> college application deadline to qualify for various scholarships. Don't miss out these deadlines-be researching the colleges of your choice! If you need assistance, please make an appointment with your school counselor.

If you have not started community service, try to get some before filling out college applications. This is always a question on college applications. If you need community service, see our Vice Principal Mr. Lewis or Counseling Dept.
